Subject: Badge (card) readers switching to badge/pin effective March 20, 2009

To all:

Effective on **March 20, 2009 at 9:00AM CDT** all card readers that lead into the airport facility will require your card and your pin number. Card alone will not grant you access and neither will the pin-code. The card/pin combination is again only for card readers **that lead into the airport facility areas.**

If you are leaving the facility or egressing back into the public side, you only **need to present your card, no pin.**

If you have not received your pin-code please contact Archie Campbell at 580.585.7545 and I will give it to you.

If anyone has any questions, please feel free to call or email me.

Sincerely

Archie R Campbell, Jr.  
Airport Security Coordinator

Barbara McNally  
Airport Manager
